

COMPANY PROFILE

ADAPTIVE PRO TECHNICAL SERVICES

offers a wide range of maintenance solutions bringing over 15 years of collective expertise that will allow you to experience a worry- and stress-free environment by ensuring your office, home, or facility is at its maximum working potential. We only use the latest equipment to ensure we provide you with the best results. We are committed to staying on schedule and within budget and using only the best tools and materials to get the job done correctly. All our projects are closely supervised by a technically qualified supervisor to deliver the best results. There's no job that is too big or small for us, which is why you can trust the quality of our services. Customer satisfaction is our prime target.

OUR MISSION

To be a reliable production partner to each and every customer by providing services with the highest level of dedication and standards at all times maintaining focus on deadlines, target and cost-effectiveness without compromising on quality and integrity to ensure customer satisfaction.

OUR VISION

A renowned company synonymous to reliability, quality and integrity.

OUR PROMISE

Your satisfaction and cost savings. Choose us to start your benefits

OUR SERVICES INCLUDES

- Decoration design and implementation
- Carpentry and flooring contracting
- Fit out services
- Handyman service
- Electromechanical services: Electrical, plumbing, air conditioning
- Building maintenance work
- Painting contracting
- And many more

FITOUT SERVICE

Our expertise extends across all aspects of interior contracting. So, whether you want a complete service solution from beginning to end, or only need our support on certain aspects of your project, we're here to help. We fit out shell and core spaces, taking care of every detail including MEP, and often take on sensitive refurbishment projects where a part of the premises is still occupied.

AIR CONDITIONING INSTALLATION & MAINTENANCE

We provide professional Aircon Services and maintenance on air conditioners to ensure optimal functioning and performance of the system. We provide professional Aircon Repairs to all types and brands of air conditioning systems. We provide efficient Aircon Coil Cleaning services to enable aircon units to run cooler and efficiently giving fresh, clean and cool air. We provide prompt and efficient Aircon Duct Cleaning and sanitization services.

CARPENTRY & FLOORING CONTRACTING

Adaptive Pro is proud to offer comprehensive flooring services, well versed with hardwood, vinyl planks, marble, tiles, granites and other materials. Our flooring technician and carpentry contractors have the equipment and experience to ensure your project is well executed and to your standards.

HANDYMAN SERVICE

Our company provides a huge range of repair and installation services for your home or office. We are providing multiple services for your home, apartment, villa, building and offices. These services are available in form of multiple formations such as Handyman Carpentry Work, Clogged-Drain Cleaning, Electrical AC Home Appliances Repairing and Painting

PLUMBING AND SANITARY CONTRACTING

A fully functional plumbing system is vital for every household/ facility. We provide professional plumbing services and solutions to ensure that your plumbing system is in perfect condition. We offer plumbing services on all types whether you require an upgrade, replacement, repair, or new installation.

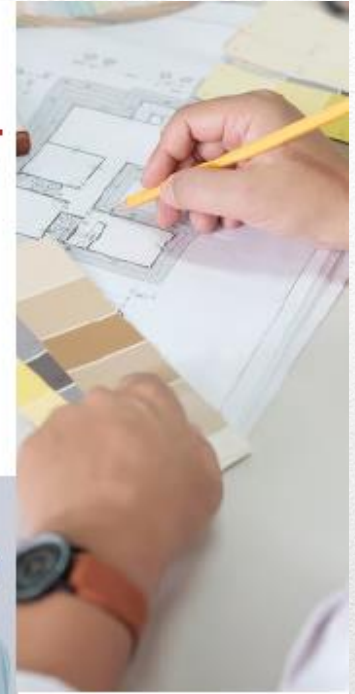

BUILDING MAINTENANCE WORK

- Complete Property Maintenance Management Services
- Electromechanical Services: Electrical, Plumbing, Airconditioning
- Floor Maintenance & Restoration Services
- All kinds of maintenance, renovation and refurbishment works

RESTORATION / RENOVATION

When it comes to renovating your dream house, choosing the right contractor is one of the most important decisions you should make.

ELECTRICAL FITTING & CONTRACTING

We understand that electrical emergencies can happen at any time, that's why we offer 7/24 electrical restoration services. We can handle electrical tasks of any complexity. With the help of our highly skilled team, we can have your property produce more electricity to help power any and all appliances, equipment, and other devices so that your property's electrical systems are all working perfectly.

PAINTING CONTRACTING

If you are looking for external and internal wall painting, ceiling painting, spray paint or furniture restoration; we have an experienced team to do the job that fits your requirements.

DECORATION DESIGN & IMPLEMENTATION

Reach out to us to help you bring your ideas to life from its initial inspiration, concept, design to its actual execution/ implementation on the ground.
